Description: Peripheral artery disease is an often under-recognized manifestation of atherosclerosis. This talk will address the guidelines for optimal medical treatment of peripheral artery disease, with a focus on new treatment for reduction of cardiovascular risk. We will also discuss novel minimally invasive treatments for patients with PAD, with a focus on preventing major amputation.

Audience: This course is designed for hospitalists, nurse practitioners, physician assistants, advance practice nurses, registered nurses, allied health professionals, physicians and residents.

At the end of this session, learners will be able to:

1. Describe the current guideline-based medical treatments for PAD and the data supporting these recommendations.
2. Identify new treatments for cardiovascular risk reduction in patients with PAD.
3. Recognize new minimally invasive treatments for amputation prevention.

Accreditation: The HCA Healthcare Continental Division is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians
Credit Designation: The HCA Healthcare Continental Division designates this live activity for a maximum of 1.0 AMA PRA Category 1™. Physician should claim only the credit commensurate with the extent of their participation in the activity.

Commercial Support: This Activity was developed without support from any ineligible company.

*The ACCME defines ineligible companies as those whose primary business is producing, marketing, selling, re-selling, or distributing healthcare products used by or on patients. Note: The ACCME does not consider providers of clinical service directly to patients to be commercial interests – unless the provider of clinical services is owned, or controlled by, an ACCME defined ineligible company.

Disclosure: The HCA Healthcare Continental Division is committed to providing CME that is balanced, objective, and evidence-based. In accordance with the Accreditation Council for Continuing Medical Education Standards for Integrity and Independence all parties involved in content development are required to disclose all conflicts of interest with ACCME defined ineligible companies. The HCA Healthcare Continental Division has identified, reviewed, and mitigated all conflicts of interest that speakers, authors, course directors, planners, peer reviewers, or relevant staff disclose prior to the delivery of any educational activity. The CME planning committee who are in a position to control the content of this CME Activity, have no relevant financial relationships with ineligible companies to disclose.
