Description: This activity will provide a comprehensive review of EKG interpretation across a variety of clinical scenarios. Participants will explore normal cardiac conduction and the diagnostic approach to EKG analysis, along with how to identify and manage abnormalities associated with conditions like chest pain, syncope, pulmonary embolism, pericarditis, congenital heart disease, and sudden cardiac death (SCD). The course also covers the impact of medical treatments on EKG findings, helping learners understand the nuances of interpreting EKGs in these common yet challenging cases.

Audience: This course is designed for hospitalists, nurse practitioners, physician assistants, advance practice nurses, registered nurses, allied health professionals, physicians and residents.

At the end of this session, learners will be able to:

1. Review normal cardiac conduction and intervals, and apply a systematic approach to EKG interpretation.
2. Analyze EKG findings in clinical scenarios such as chest pain, syncope, pulmonary embolism, pericarditis, congenital heart disease, and sudden cardiac death.
3. Understand how medical treatments influence EKG patterns and apply this knowledge to optimize patient care.

Accreditation: The HCA Healthcare Continental Division is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians
Credit Designation: The HCA Healthcare Continental Division designates this live activity for a maximum of *1.0 AMA PRA Category 1™*. Physician should claim only the credit commensurate with the extent of their participation in the activity.

Commercial Support: This Activity was developed without support from any ineligible company.

*The ACCME defines ineligible companies as those whose primary business is producing, marketing, selling, re-selling, or distributing healthcare products used by or on patients. Note: The ACCME does not consider providers of clinical service directly to patients to be commercial interests – unless the provider of clinical services is owned, or controlled by, an ACCME defined ineligible company.

Disclosure: The HCA Healthcare Continental Division is committed to providing CME that is balanced, objective, and evidence-based. In accordance with the Accreditation Council for Continuing Medical Education Standards for Integrity and Independence all parties involved in content development are required to disclose all conflicts of interest with ACCME defined ineligible companies. The HCA Healthcare Continental Division has identified, reviewed, and mitigated all conflicts of interest that speakers, authors, course directors, planners, peer reviewers, or relevant staff disclose prior to the delivery of any educational activity. The CME planning committee who are in a position to control the content of this CME Activity, have no relevant financial relationships with ineligible companies to disclose.
