## Description

Please join us to explore the transformative journey of gut rehabilitation, from surgical techniques to the evolution of intestinal transplantation. This educational session will highlight innovations, multidisciplinary care approaches, and the future of treatment for patients with gastrointestinal failure.

**Audience** This course is designed for hospitalists, nurse practitioners, physician assistants, advance practice nurses, registered nurses, allied health professionals, physicians and residents.

## Learning Objectives

- Summarize the pathophysiology and neurobiology of the different types of gut failure
- Identify the current algorithmic management of gastrointestinal failure
- Review innovative surgical techniques in bowel lengthening, autologous gut reconstruction, and the different types of transplantation

**Accreditation:** HCA Healthcare Continental Division is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

**Commercial Support:** This Activity was developed without support from any ineligible company.\*The ACCME defines ineligible companies as those whose primary business is producing, marketing, selling, re-selling, or distributing healthcare products used by or on patients. Note: The ACCME does not consider providers of clinical service directly to patients to be commercial interests –unless the provider of clinical services is owned, or controlled by, and ACCME defined ineligible company.

**Disclosure:** The HCA Healthcare Continental Division is committed to providing CME that is balanced, objective, and evidenced-based. In accordance with the Accreditation Council for Continuing Medical Education Standards for Integrity and Independence all parties involved in content development are required to disclose all conflicts of interest with ACCME defined ineligible companies. The HCA Healthcare Continental Division has identified, reviewed, and mitigated all conflicts of interest that speakers, authors, course directors, planners, peer reviewers, or relevant staff disclose prior to the delivery of any educational activity. The CME planning committee who are in a position to control the content of this CME Activity, have no relevant financial relationships with ineligible companies to disclose.
