Description:

Please join us to explore how life appears after prostate cancer treatment and how to bringing quality of life back to patients. This educational session will highlight the current treatment paradigms for prostate cancer. This session will also discuss long-term changes in urination and sexual functioning after a patient receives cancer treatment.

Audience:

This course is designed for hospitalists, nurse practitioners, physician assistants, advanced practice nurses, registered nurses, allied health professionals, physicians, and residents.

Learning Objectives:

At the conclusion of this activity, participants will be able to:

- Explain the current treatment paradigms for prostate cancer
- Describe long-term changes to urination and sexual function of patients after prostate cancer treatment
- Discuss options for restoring urinary control and sexual function after prostate cancer treatment

Accreditation:

The HCA Healthcare Continental Division is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Commercial Support:

This activity was developed without support from any ineligible company.

*The ACCME defines ineligible companies as those whose primary business is producing, marketing, selling, re-selling, or distributing healthcare products used by or on patients. Note: The ACCME does not consider providers of clinical services directly to patients to be commercial interests - unless the provider of clinical services is owned, or controlled by, an ACCME defined ineligible company.

Disclosure:

The HCA Healthcare Continental Division is committed to providing CME that is balanced, objective, and evidence-based. In accordance with the Accreditation Council for Continuing Medical Education Standards for Integrity and Independence all parties involved in content development are required to disclose all conflicts of interest with ACCME defined ineligible companies. The HCA Healthcare Continental Division has identified, reviewed, and mitigated all conflicts of interest that speakers, authors, course directors, planners, peer reviewers, or relevant staff disclose prior to the delivery of any educational activity. The CME planning committee who are in a position to control the content of this CME Activity have no relevant financial relationships with ineligible companies to disclose.
