Description:

Sudden cardiac death remains a public health issue with complex patterns and diverse causes. This grand rounds session will explore sudden cardiac death in the United States, examining key trends. Attendees will gain insight into the primary causes and underlying mechanisms, along with strategies for prevention. This session aims to enhance awareness and support improved patient outcomes through early identification and intervention.

Audience:

This course is designed for hospitalists, nurse practitioners, physician assistants, advanced practice nurses, registered nurses, allied health professionals, physicians, and residents.

Learning Objectives:

- Describe the incidence and demographic patterns of sudden cardiac death in the United States.
- Identify the primary causes and mechanisms of sudden cardiac death.
- Understand current strategies used for sudden cardiac death prevention.

Accreditation:

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of HCA Healthcare Continental Division and HCA Healthcare Gulf Coast Division. HCA Healthcare Continental Division is accredited by the ACCME to provide continuing medical education for physicians.

Commercial Support:

This Activity was developed without support from any ineligible company. The ACCME defines ineligible companies as those whose primary business is producing, marketing, selling, re-selling, or distributing healthcare products used by or on patients. Note: The ACCME does not consider providers of clinical service directly to patients to be commercial interests – unless the provider of clinical services is owned, or controlled by, and ACCME defined ineligible company.

Disclosure:

The HCA Healthcare Continental Division is committed to providing CME that is balanced, objective, and evidenced-based. In accordance with the Accreditation Council for Continuing Medical Education Standards for Integrity and Independence all parties involved in content development are required to disclose all conflicts of interest with ACCME defined ineligible companies. The HCA Healthcare Continental Division has identified, reviewed, and mitigated all conflicts of interest that speakers, authors, course directors, planners, peer reviewers, or relevant staff disclose prior to the delivery of any educational activity. The CME planning committee who are in a position to control the content of this CME Activity, have no relevant financial relationships with ineligible companies to disclose.
