Description:

The Medicine Grand Rounds session will provide a comprehensive overview of diagnosing and approaches to managing acid reflux. Attendees will learn to recognize and confirm diagnosis through clinical evaluation and diagnostic testing. This session will discuss the long-term use of Proton Pump Inhibitors (PPI), and discuss how to modify your lifestyle to control acid reflux. This session will also describe surgical management of acid reflux. This informative Medicine Grand Rounds session will ensure to inform and enhance participants understanding of acid reflux and the proper ways for acid reflux to be treated.

Audience:

This course is designed for hospitalists, nurse practitioners, physician assistants, advanced practice nurses, registered nurses, allied health professionals, physicians, and residents.

Learning Objectives:

At the conclusion of this activity, participants will be able to:

- Learning how to recognize and confirm a diagnosis of acid reflux
- Identify and interpret objective diagnostic tools for acid reflux
- Identifying methods used to evaluate esophageal hypersensitivity
- Evaluate the Long term use of Proton Pump Inhibitors
- Discuss lifestyle modification for management of acid reflux
- Describe and review surgical management of acid reflux

Accreditation:

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of HCA Healthcare Continental Division and HCA Healthcare Gulf Coast Division. HCA Healthcare Continental Division is accredited by the ACCME to provide continuing medical education for physicians.

Commercial Support:

This Activity was developed without support from any ineligible company. The ACCME defines ineligible companies as those whose primary business is producing, marketing, selling, re-selling, or distributing healthcare products used by or on patients. Note: The ACCME does not consider providers of clinical service directly to patients to be commercial interests – unless the provider of clinical services is owned, or controlled by, and ACCME defined ineligible company.

Disclosure:

The HCA Healthcare Continental Division is committed to providing CME that is balanced, objective, and evidenced-based. In accordance with the Accreditation Council for Continuing Medical Education Standards for Integrity and Independence all parties involved in content development are required to disclose all conflicts of interest with ACCME defined ineligible companies. The HCA Healthcare Continental Division has identified, reviewed, and mitigated all conflicts of interest that speakers, authors, course directors, planners, peer reviewers, or relevant staff disclose prior to the delivery of any educational activity. The CME planning committee who are in a position to control the content of this CME Activity, have no relevant financial relationships with ineligible companies to disclose.
