#### Description:

This grand rounds session will provide clinicians with essential knowledge to improve the evaluation and management of acute hand conditions. Participants will learn to identify which hand injuries and infections require urgent referral versus outpatient care, apply evidence based strategies for stabilization, and determine when surgical or specialists interventions is warranted.

#### Audience:

This course is designed for hospitalists, nurse practitioners, physician assistants, advanced practice nurses, registered nurses, allied health professionals, physicians, and residents.

#### Learning Objectives:

At the conclusion of this activity, learners will be able to:

- Identify acute hand injuries and infections requiring urgent referrals versus outpatient care
- Apply decision making strategies to determine needs for surgical or specialists intervention
- Recognize red flags, common pitfalls, and effective examination techniques for hand injuries and infections

#### Accreditation:

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of HCA Healthcare Continental Division and HCA Healthcare Gulf Coast Division. HCA Healthcare Continental Division is accredited by the ACCME to provide continuing medical education for physicians.

#### Commercial Support:

This Activity was developed without support from any ineligible company. The ACCME defines ineligible companies as those whose primary business is producing, marketing, selling, re-selling, or distributing healthcare products used by or on patients. Note: The ACCME does not consider providers of clinical service directly to patients to be commercial interests – unless the provider of clinical services is owned, or controlled by, and ACCME defined ineligible company.

#### Disclosure:

The HCA Healthcare Continental Division is committed to providing CME that is balanced, objective, and evidenced-based. In accordance with the Accreditation Council for Continuing Medical Education Standards for Integrity and Independence all parties involved in content development are required to disclose all conflicts of interest with ACCME defined ineligible companies. The HCA Healthcare Continental Division has identified, reviewed, and mitigated all conflicts of interest that speakers, authors, course directors, planners, peer reviewers, or relevant staff disclose prior to the delivery of any educational activity. The CME planning committee who are in a position to control the content of this CME Activity, have no relevant financial relationships with ineligible companies to disclose.
