Description:

This Grand Rounds is an overview of aneurysms of the aorta, its visceral branches, and in the extremities. This presentation will cover some of the highest risk factors for development of these aneurysms and the timing for screening, referral, and repair. Participants will also learn about some of the differences in repair techniques and newer advances in surgical management.

Audience:

This course is designed for hospitalists, nurse practitioners, physician assistants, advanced practice nurses, registered nurses, allied health professionals, physicians, and residents.

This course is designed for hospitalists, nurse practitioners, physician assistants, advanced practice nurses, registered nurses, allied health professionals, physicians, and residents.

Learning Objectives:

At the conclusion of this activity, participants will be able to:

- Identify the pathophysiology and diagnostics of aneurysmal disease.
- Acknowledge the recommendations for screening and surgical referral.
- Recognize the different repair types, as well as complications that may arise throughout a patient's lifetime.

Accreditation:

The HCA Healthcare Continental Division is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Commercial Support:

This activity was developed without support from any ineligible company.

*The ACCME defines ineligible companies as those whose primary business is producing, marketing, selling, re-selling, or distributing healthcare products used by or on patients. Note: The ACCME does not consider providers of clinical services directly to patients to be commercial interests - unless the provider of clinical services is owned, or controlled by, an ACCME defined ineligible company.

Disclosure:

The HCA Healthcare Continental Division is committed to providing CME that is balanced, objective, and evidence-based. In accordance with the Accreditation Council for Continuing Medical Education Standards for Integrity and Independence all parties involved in content development are required to disclose all conflicts of interest with ACCME defined ineligible companies. The HCA Healthcare Continental Division has identified, reviewed, and mitigated all conflicts of interest that speakers, authors, course directors, planners, peer reviewers, or relevant staff disclose prior to the delivery of any educational activity. The CME planning committee who are in a position to control the content of this CME Activity have no relevant financial relationships with ineligible companies to disclose.
