The Colorado Behavioral Health Administration (BHA) Quality and Standards Team is offering training on C.R.S. 27-65 for providers. This training is designed for providers, clinicians, and 27-65 facility staff that want to learn more on the involuntary mental health process in Colorado. This training will cover updates to statute and M forms, emergency mental health holds, patient rights, and subsequent emergency mental health holds. This training will also include an overview of the involuntary process, and give providers space to ask specific questions regarding the recent changes to C.R.S. 27-65.

## Audience

This course is designed for hospitalists, nurse practitioners, physician assistants, advance practice nurses, registered nurses, allied health professionals, physicians, and residents providing involuntary services.

## Learning Objectives

At the conclusion of this activity, participants will be able to:

- Identify common vascular conditions and their symptoms to recognize patients who may require further vascular evaluation.
- Differentiate between cases that can be managed conservatively and those that require surgical intervention based on clinical presentation and diagnostic findings.
- Determine appropriate referral criteria and timing for patients with vascular etiology to optimize outcomes through timely surgical intervention.

**Accreditation:** The HCA Healthcare Continental Division is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

**Commercial Support:** This activity was developed without support from any ineligible company. \*The ACCME defines ineligible companies as those whose primary business is producing, marketing, selling, re-selling, or distributing healthcare products used by or on patients. Note: The ACCME does not consider providers of clinical services directly to patients to be commercial interests - unless the provider of clinical services is owned, or controlled by, an ACCME defined ineligible company.

**Disclosure:** The HCA Healthcare Continental Division is committed to providing CME that is balanced, objective, and evidence-based. In accordance with the Accreditation Council for Continuing Medical Education Standards for Integrity and Independence all parties involved in content development are required to disclose all conflicts of interest with ACCME defined ineligible companies. The HCA Healthcare Continental Division has identified, reviewed, and mitigated all conflicts of interest that speakers, authors, course directors, planners, peer reviewers, or relevant staff disclose prior to the delivery of any educational activity. The CME planning committee who are in a position to control the content of this CME Activity have no relevant financial relationships with ineligible companies to disclose.
